Are You Doing Your Bit?

One way to help win the war is to economize on foods required by our armies. Bread is required by our soldiers, because it furnishes more energy at the same cost than any other food.

Therefore, do your bit and see that there is no waste. Be sure to use every loaf of bread you buy economically. It's good—you'll like it.

Milk-Maid Bread

is a loaf made from pure, wholesome ingredients. Our bread is made in accordance with the United States Food Administration's Rules and Regulations Governing the Manufacture of Bakery Products.
